Source of Funds:

The Club designates money for the program out of our general fund. Monies are raised by contributions, raffles, race fees, race timing fees and sponsor donations. Our generous sponsors include the Ohio Teamster Sports Committee, Inc., Medical Mutual, Lake Health, and proceeds from NERC events. Many thanks to all the race directors and volunteers for their hard work. All efforts are deeply appreciated and have made this program a huge success—something the Club can be very proud of.

The Selection Process:

Nomination forms are sent to northeast Ohio area coaches.

Submitted nominations are reviewed by volunteers on the Club's Scholarship Committee. The four categories of consideration are contributions to cross country or track, academic achievements, leadership and community involvement. A group meeting then determines the finalists after extensive deliberation. It is always a difficult task as so many student-athletes have outstanding achievements.
